

INFO SHEET

The British Universities American Football League

Season 2011-12

Team Information Sheet

Equipment Loan Agreement

All teams should ensure that at the end of each season there are no outstanding debts from players.

These can take the form of money outstanding or equipment which has been borrowed and not returned.

If a debt can be proven the persons in question can be barred from playing the sport until the matter is resolved. This can only be done with proof however.

This agreement can be used in lieu of any university documentation.

Key Contacts:

League Office: details on BUAFLL website

This list is not exhaustive and is only indicative.

Equipment Loan Document

This document is to show that the named person has borrowed items from the club for a specified period of time and may have committed to maintaining that equipment to a given standard (which will require further proof).

Loan Agreement for [_____]

Enter club name above

Signature of Recipient of Equipment

[_____]

Print Name and Date

[_____]

The named person above has been loaned the following equipment for return at the given date [_____]

- _____
- _____
- _____
- _____
- _____
- _____

This agreement requires the named person above to return the above items on the date provided.

This agreement requires the named person to maintain the equipment in an appropriate way. If there are concerns during the season about the way the individual is maintaining equipment then they must be notified in writing via email for the issue to be raised alongside any verbal discussions.
